TO PAY REGISTRARS

Police Committee Will Recommend Expenditure of \$2,000.

The Police Committee met yesterday afternoon at 4:30 o'clock in City Hall afternoon at 4:39 o'clock in City Hall and agreed to approve and recommend to the Common Council the expenditure of about 22:00 of the funds of the city for the purpose of giving the registrars an additional 33 per day for their work of registering the voters under the new Constitution and \$3.50 per day for the rent of each place of registration in the

city of Richmond.

The matter of making such recommendation did not come up until after all routine work had been disposed of, ac-

counts audited and one or two other minor matters considered.

The attention of the committee was called to the necessity of taking some action in the matter by City Attorney Henry R. Pollard, who introduced Mr. H. N. Tyler, one of the recently ap-pointed registrars, he having attended the meeting at the instance of the other

Mr. Beverley read letters from the Superintendent of Public Instruction of Missouri, in which that officer explained what his State was doing along this line. The idea is to fit the teachers, by means of summer normal schools, so that they may instruct their pupils in the elemtns and principles of agriculture. The resolution read as follows: "The Board of Agriculture 'would respectfully recommend to the Board of Education of Virginia, that so soon as practicable a course or instruction in agriculture be given the teachers in the ruarl public schools, to the end that they may be qualified to teach the principles of agriculture in the ruarl public schools of Virginia."
